

CHA Summer Reading List  
2015-2016  
**Pre-K & Kindergarten**

Students entering Pre-K & Kindergarten do not have a required number of books to read during the summer. However, we recommend that you read with your child often and make reading an enjoyable experience. In addition to the Summer Reading List, we suggest you visit the children's section in the public library. If your child would like to read at the grade level above, you can find all of the Summer Reading Lists on Edline.
