2011-2012 Tuition & Fees

There is an application/testing fee for all new families and it should be submitted with the completed application. For new families, all fees are due upon notification of acceptance and are non-refundable. For returning families, registration fees are typically due in January and curriculum and technology fees in March. Tuition may either be paid in full or financed by June 15th. Currently we offer a financing option through a local banking institution.
